HAPPY NEW YEAR!

FRIDAY, DECEMBER 30th
AT 12:45 P. M.

CHARLIE DE ROUVILLE
AND HIS BAND OF
ENTERTAINERS

EIGHT DRAWING CARDS

DEAR "FELLERS:"

OLD 1921 is on his last legs. Well, what of it, 1922 is in sight and my wish is that the new year may bring to each of you and yours full measure of all the good things of life.

To end the old year right, the Entertainment Committee, whose members furnish the attractive (?) border for this page, is preparing a stupendous production for Friday. The fact that Charlie is chairman should insure its success. Ernie says you'll not tire of it and Norm predicts it auto be fine. Paul may put over a few childish pranks, but Art who has the contract for the stage construction, says the ticket Sayles will be large because Harry will be one of the principals. Jim felt that way too. The Art edition of the K. P. will contain a report in full of the event.

Guessthatwillbeaboutallforthistime.

Happy New Year,

JACK, *Secretary.*
