MUSIC HATH CHARMS FRIDAY, JULY 15th, AT ONE

DR. HAROLD W. THOMPSON
T. FREDERICK CANDLYN
ERNEST G. HESSER

SIDE ISSUE FRANK R. LANAGAN
WILL ANSWER SOME OF THE QUESTIONS EDISON MISSED

DEAR MUSIC LOVERS:

And who is there who does not love good music? Next Friday we are to have a real treat. Dr. Harold W. Thompson, T. Frederick Candlyn and Ernest Hesser, instructors at the State College for Teachers, are to entertain.

As a side attraction Frank R. Lanagan is to take up the tangled skeins of interrogation where (H. W. B.) Edison threw them down a couple of weeks ago. Frank has been delving into Charlie Winchester's Encyclopedia Americana as thoroughly as the looters delved into Charlie's bureau drawers, and is prepared to pass a Rotary Regents 100 plus. George Wiley says it's easier to ask questions than to answer them, and George ought to know, for he asked enough of 'em when he was the Edison of the Exam-

ination Division of that little red schoolhouse on Washington avenue.

Aside from being entertained you will be asked to vote on the proposal recommended by the Board of Directors to change the hour of weekly luncheon from 1 p. m. to 12.45 p. m. The Board has no wish to make the change if any considerable number of you will be inconvenienced thereby, but believes it will enable those who desire to be at their offices at 2 p. m. to do so without having to leave before the luncheon is over. The President dislikes to keep you a minute past the hour of adjournment and plans to sound the closing gavel on the dot as nearly as possible.

Yours for good music,

JACK,
Secretary.
