INDEPENDENCE
DAY MEETING
FRIDAY, JULY 1
AT ONE

RABBI MARIUS RANSON, Speaker

BE THERE TO GREET OUR NEWEST MEMBER

DEAR PATRIOTS:

Last week we elected Rabbi Marius Ranson to membership in Albany Rotary. He will be introduced and welcomed on Friday. It will be an Independence Day meeting and our new member will deliver the address. Rabbi Ranson is not new in Rotary having been a member of the Pater-son, N. J. club before coming to Temple Beth Emeth in Albany. Look at his sunny face beaming at you from page 1 of Capital Cogs. You'll like him, I'm sure you will.

Dave Fisher proposed him and it will therefore be up to Dave to look after any future silver offerings. The fact that his application was endorsed by Charlie Stern does not necessarily mean that the Rabbi agrees with Char-

lie on the one-piece bathing suit ques-tion.

We promise our new member a warm welcome. If the meeting hap-pens to be a bit noisy, remember it will be a Fourth of July gathering a bit ahead of time. I'm going to send him a copy of the Cogs so he will have an opportunity to read what Harlan says about speakers at our Club before he tackles the job. I hope it won't discourage him.

Now that the warm weather is upon us with its accompanying vacation period, let's make every effort to keep up our attendance record by reporting every Friday at One. Surely you will not miss the next meeting.

Yours before the Ever Glorious,

JACK, *Secretary.*
